THE MILL 100% NATURAL EXTRA VIRGIN OLIVE OIL

The Mill Extra Virgin Olive Oil is a high-quality oil made solely from premium olives using the cold-pressing technique, without any additives.

We take great care to quickly transport the olives from the fertile Mediterranean lands to our cold-pressing facilities, where we extract the oil using gentle pressing methods that avoid any heat treatment.

The unique and slightly bitter taste that lingers on the palate and throat is a testament to the exceptional quality and freshness of our olive oil.

The Mill Extra Virgin Olive Oil is obtained right after harvesting, ensuring its purity without the use of any chemicals or artificial ingredients.
